

**CARMARTHENSHIRE ANTIQUARIAN SOCIETY
CYMDEITHAS HYNAFIAETHAU SIR GAERFYRDDIN**

Charity Number 260705

The Carmarthenshire Antiquarian Society, founded in 1905, has a long record of promoting the study, collection and conservation of the county's history and archaeology. Its collection is the basis of much of the material in the County Museum and the County Archive Office.

The Society's annual journal, *Transactions* (to 1939) and *The Carmarthenshire Antiquary* (from 1940 to the present) contains a wealth of information on the history of the county's houses, rural life, families, antiquities and industry and archaeology.

The Society is a large, active one. Each year there is a full programme of lectures, trips and field days. Members receive a copy of the journal and are regularly notified of all programme events. We welcome all who are interested in the history and archaeology of Carmarthenshire and West Wales and urge you to join the Society.
